Letter from the President

By Tanya Djanegara

Thank you for electing us to WTCNCC executive board. As your new President of WTCNCC, I am excited about what 2010 will bring for the club. We will strive to achieve continuity and there are lots of new things the Board of Directors will want to explore to keep the club active. We especially look to our members to make suggestions. Let us know how our club can increase tennis opportunities for you.

I would like to take this opportunity to thank the 2009 Board and committees that contributed their energy and time to meet the needs of the membership. We had several successful new initiatives in 2009. Of course none of this would be possible without the many volunteers and participants in club activities. It takes a lot of volunteers to facilitate our club. In order to keep offering great events, we need your assistance, and encourage you to get involved. You can contact any Board or Committee member if are interested in giving the club some of your time no matter how much.

UPCOMING EVENTS

- FUN DAY - May 1st
- Summer Tennis League Registration - June 1st
- US OPEN Bus Trip - August

We have a great slate of officers that are ready to work on 2010 many club activities. We've already started our Winter Team Tennis and we are planning the Fun Day. We hope you can plan on joining us at the many events that are planned for this year – our two general meetings will be held at Fun Day and tennis party.

As you go out on the courts this season and meet new women, please remember to talk up the club so we can continue to increase our membership. If you have any ideas of new activities don't hesitate to bring them to a Board or Committee member.

I'm looking forward to working with all of you and seeing you on the court.

Tanya Djanegara

5 years, and we have experienced a gradual increase in the cost of providing such benefits as the membership directory, maintenance of our web site, and underwriting all or part of the cost for such activities as Fun Day and the annual meeting/round robin. We hope that, with this modest increase of \$5.00, we will be able to continue to provide a great resource for the community of women tennis players that we represent.

Thank you for supporting the Women's Tennis Club of New Castle County.

Sign Up for 2010 Summer Tennis League

It's time to start thinking about signing up for the 2010 Summer League! The WTC/NCC Summer League will begin in June and run throughout the summer for both singles and doubles play. Matches are self-scheduled within playing periods. This is a great way to get match practice, improve your game, and meet other players. Beginner players should sign up for the 2.5 singles division. If you want to play doubles (at 3.0 or 3.5/4.0), it would help to have a partner already. **A requirement before signing up is that you make yourself reasonably available during the summer for your match scheduling.**

Please fill out the form below, copy and paste it to an email, and send it to me at the address listed below. Be sure to indicate the level of play desired. Note: for doubles, you must play at or above the highest rating of you or your partner. You may sign up for both singles and doubles if you have the time.

The deadline for registration is **June 1st**. You will receive league rules and participant information after you sign-up. You **MUST** be a current WTC/NCC member to participate. The dues amount for this year is \$25. After becoming a member there is no additional cost to play in the Summer League.

Hope you'll join us for a summer of tennis fun!

Winter Tennis

The Women's Tennis Club has 7 different contracts, on 17 courts, for beginner to advanced players at 3 local tennis clubs. The season begins in September and ends in April or May, depending on the club. The winter contracts are all women's doubles, with the exception of the Elkton contract, which is women's the 1st week, mixed the next (alternating every other week). HIT 1, 2, & 3 contracts are filled by "teams" of 2-6 people. If your team has only 2 people then you will play every week. If you decide to have more than 2 players then obviously each player will play less, but the individual team will come up with their own schedule of who is playing on any given day. Note that you must have a USTA rating or have played on a women's USTA team at or above the rating level for which you apply. That is, to play in a 4.0 contract, you must have a 4.0 rating or better, or have played on a 4.0 team in 2010. For other rules, please visit WTCNCC.org.

Deposits for the 2010-2011 Winter Tennis Contracts were due by February 10th. The 2nd deposit will be due the 1st week in June. If you'd like to be put on the sub list for any of the contracts, please contact Cindy Beach. You must be a WTCNCC member to play (or sub) in these winter contracts. WTC membership runs March 1, 2010 to Feb 28, 2011.
